

## LOOKING FOR SOMETHING? TIPS FOR FINDING INFORMATION ... FAST!

There is a wealth of important information included in this summary, but who has time to look for it? Believe it or not, you can find what you need without having to search through pages and pages of information. By taking advantage of the summary's "search" function and "bookmarks," you can find the information you need in a matter of seconds.

### LOOKING FOR GENERAL, BIG PICTURE INFORMATION?

Just scroll down the table of contents — or "bookmarks" — shown at the left. Click on the applicable bookmark, and you will be taken to that section of the document.

### WANT SPECIFICS?

Use the summary's "search" function. To access this function:

- Select "Search" under the "Edit" menu.
- Type the word, words, or part of a word for which you want to search. If you want, you can refine the search by selecting one or more of the following options:
  - "Whole words only" to find only occurrences of the complete word you enter in the text box. For example, if you search for the word "doctor," the words "doctors" and "doctor's" will not be selected during the search.
  - "Case-Sensitive" to find only occurrences of the words that are in the case that you typed. For example, if you search for the word "doctor," the search would find "doctor," but wouldn't find "Doctor."
  - **Note:** For searching this summary, you do not need to select "Search in Bookmarks" or "Search in Comments."
- Click on "In the current PDF document" to show that you just want to search this summary. (Searching multiple PDF documents works well for PDFs that are copied onto your hard drive, but not for searching online PDFs such as our benefit summaries.)
- Click on "Search."
- All occurrences of the text for which you are searching will be shown in the results box. Scroll through the list and click on the applicable highlighted text to be taken to that text in the document.

You can also use the "Find" feature in the toolbar, but you won't be able to refine your search like you can with the "Search" function.

Click on "New search" if you want to perform another search.

(continued)

## REAL-WORLD EXAMPLES ...

The following examples show you how to make the best use of the PDF search function.

■ **To find out if you can enroll your domestic partner under your plan coverage:**

- Access the search function, and search for “domestic.” The search results will be displayed in the results box. Click on the link to be taken to the exact information you need.
- Time spent searching? **5 seconds!**

■ **You are getting married, and you want to see if you can enroll your new spouse in your coverage:**

- You can save time by searching for “married,” “marriage” and “marry” all at the same time. To do so, access the search function, and search for “marr” (the first four letters of all three search terms). Every instance of “**m**arried,” “**m**arriage” and “**m**arry” in the summary will be displayed in the results box. Click on the links to see the plan provisions that apply. **Hint:** If you typed in “marr” and no instances were found, make sure the “Whole words only” box was not checked.
- Alternatively, you could have clicked on “When You Can Change Coverage” in the “bookmarks” shown at the left of the summary to be taken to that section of the summary. By scrolling through that section, you would have found the information you need in order to enroll your new spouse.
- Time spent searching? **20 seconds!**

■ **You need to take a military leave of absence and want to know how your benefits will be affected:**

- Access the search function, and search for “military.” The search results will be displayed in the results box. Click on the link to be taken to the “Military Leave” section of the summary.  
**Hint:** Do not narrow your search too much. If you had entered a very specific term, such as “military leave of absence,” the search function would not have helped you because those exact words are not used in this summary. It is better to start with a more generic search term, such as “military,” and then narrow your search later if necessary.
- While you are reading the “Military Leave” section information, you see references to the “Uniformed Services Employment and Reemployment Rights Act (USERRA).” If you perform a follow-up search for “USERRA,” you will learn more about military leaves and your Company benefits.
- Time spent searching? **20 seconds!**
