

Helping you to stay focused on your health

VISION COVERAGE

With your Aetna Global Benefits (AGB) vision coverage, you have routine eye exam benefits and allowances for glasses, contacts and frames to help you keep focused on your business at hand. And, when you're in the U.S., you can also take advantage of our Aetna VisionSM discount program that offers valuable savings on eye exams, eyewear and even LASIK surgery.

ADD AN EYE EXAM TO YOUR "TO DO" LIST

Routine eye exams are important for everyone, especially if you have a vision condition. Believe it or not, having your eyes checked annually is actually of great value to your overall health, because one eye exam could potentially uncover a variety of health conditions.

Schedule an eye exam at some point to make sure your vision health stays in check — it's easy to do with your AGB vision coverage. Plus, if you do need to purchase some eyewear, we've got you covered for that too.

With the eye exam and eyewear allowance benefits included as part of your AGB vision coverage, you have:

- Coverage for one eye exam every 12 months*
- The ability to access eye care worldwide
- A set dollar allowance (depending on your specific plan) for the purchase of eyeglasses, contacts or frames*
- No referrals and no claim forms for participating doctors in the U.S.

*Not all vision plans have eyewear allowance and/or eye exam coverage. Please check your plan documents or benefit summary for your specific vision coverage.

Whether you're at home or a world away — AGB is here for you
